

Visit the Museum Gift Shop

Dear Teachers,

As part of a scheduled school tour the museum will be offering the option of shopping in the gift shop as one of the stations of the tour. We have a large inventory of items ranging from \$1 to \$10 dollars. Also, there is the option of gift bags starting at \$5 that can be preordered, prepackaged and ready for you when your tour is over.

We have worked at making the shopping experience more convenient for the students as well as the teachers. When items are purchased we place them in a bag with the student's name and then they are placed in a box or large bag with the teacher's name. They are kept behind the counter until you are ready to pick them up at the end of the tour to distribute back at school. If you have a school tour scheduled, please make every attempt to encourage students to shop and support the museum if at all possible. Gift shop sales help us fund our education programs and keep them affordable. We appreciate your interest in our museum and want to accommodate you the best way we can.

Thank you!

GIFT BAGS – EXAMPLES

These are examples of possible gift bag items. Some items may not be available at the time of your tour. Changes or substitutions may be made based on availability or changes in gallery exhibit and tour topics. Please contact Cindy Ringstaff for more information at 276-988-6755 or cringstaff@craborchardmuseum.com
