Apprentice camp is a fun and exciting educational experience that teaches gender-related pioneer skills. Possible activities include archery, blacksmithing, gardening, hearth cooking, fencing, sewing, dancing, and orienteering. All apprentices start the day by singing together in the Red Barn.

This year there will be sixty apprenticeship positions available: thirty for boys and thirty for girls. Apprentice camp is a highlight of the summer and one of the most popular events of the year, ***so please register your apprentice as soon as possible to reserve their place.***

Qualifications, Time, & Cost

- All apprentices must be between the ages of 8 and 14 years old, and the apprentices' parent or guardian must sign a written permission form.
- Apprentices must wear period costumes that may be borrowed from the museum or they may wear their own appropriate costume.
